

MORGAN'S COVE

THE
GANTT RESERVE
COLLECTION

Tampa has a unique connection to the golden age of piracy, celebrated annually since 1904 through the Gasparilla Celebration.

While the tales of José Gaspar have been debated, many famous pirates, including Henry Morgan, who spent his life seizing Spanish ships and colonies in the Caribbean, left their mark from the 1650s to the 1850s. In recognition of his service, King Charles II knighted Morgan in 1674.

Morgan's Cove offers an escape to a seaside pirate tavern where patrons can enjoy rum, whiskey, and other spirits while embracing pirate lore.

Immerse yourself in this swashbuckler's den, enjoy a cocktail from our expansive drink menu, and indulge in pirate adventures year-round.

Donn's Strength Index

Donn Beach was a master of mixing unique rums from different regions, and the result was delicious, balanced cocktails that exploded with flavor, and some really packed a punch!

We have provided a strength rating for each libation to help you manage your journey.

And, as always, please imbibe responsibly.
